## **Sydor Back On Top**

There was no stopping *Alison Sydor* (*CAN*, *Volvo- Cannondale*) at the opening round of the 1998 Grundig/UCI mountain bike world cup, at Skyline Park, Napa.

A modified course included more technical singletrack than last year, which suited Sydor just fine. The three-times World Champion led the field to the top of the first climb, then said farewell to her rivals as she dived into the first singletrack section. Reigning World Champion, *Paola Pezzo (ITA, Gary Fisher)*, could not follow the speeding Canadian through the narrow, bumpy trails. "I prefer it a bit less technical," said Pezzo.

By the end of the first lap of four, Sydor had opened a lead of 49 seconds over Pezzo. This had grown to 2:07 by the end of the race. "I used bigger than normal tyres for the descents," explained Sydor, who had stepped up from a 1.9" to a 2.1" tyre width.

Sydor also explained that starting last year she was carrying a painful snowboarding injury that dogged her throughout the season. This year, starting in better health, she felt a lot fitter. The gaps between the top five riders were substantial. Pezzo finished second, and *Alison Dunlap (USA, GT)* was third, at 4:16.

According to Pezzo, this is not the way it will stay this year. "I did not start training until February 1st, and I have not yet a lot of strength in my legs. My goal this year is the World Championships. With this form I am very happy with second place."
