Fabien Barel (gold medal)

- Residence : Nice
- Years racing : 3
- Began : Age 14
- Other wins : 98 Junior European Champs; 98 Junior French Champs
- Sporting background : Played most sports at a low level. Dh mountain biking is his first experience with competitive sport.

"Now I am aiming for the World Cup next year... I knew I was going to have some tough competition from Polk, Deldyke, and after seeing his qualifying time, Rennie ... The Sunn team takes riders young and develops them, that is why we are good. I started with the Sunn team at age 14."

Franck Parolin (silver medal)

- Residence : St Gauden
- Other results : '98 Junior European Championships 4th; French Cup 3rd overall

(Speaking before the end of the competition) *"It was a good time but I don't know if it will hold up. Fabien Barel could well beat it. And Rennie, his is also pretty good.... It was slippery out there... I rode the first part of the course well and then my confidence for the rest was very good."*

Nathan Rennie (bronze medal)

- Residence : Sydney. Years racing : 4, but always ridden bikes
- Other results : 10th '97 Junior World Champs

"It was a fairly sketchy ride ... My feet slipped off the pedals a lot, I'm fortunate to have done well here, but mainly I'm glad to have made it down in one piece... I had my bike stolen last Tuesday, so I borrowed a bike from Cannondale, but it is too small for me... I have no idea why the French riders should know about me and consider me a big threat..."
