Race Distance: 39.7 km, 3 laps plus start loop. Average speed: 17.96 km/h

Laurence Leboucher (FRA) was simply too strong on the climbs for her two main adversaries, **Gunn-Rita**

Dahle (NOR) and **Alison Sydor** (CAN). The Frenchwoman attacked on the first climb, broke the field up and the top three remained in that order for the entire race.

Olympic champion and '97 world champion, **Paola Pezzo** (ITA) suffered from severe back pain on the first lap and did not finish the race.
