

Results / Résultats - Femmes Junior Women - XC

Race distance: 24.3 km, 3 laps. Average speed: 16.3 km/h

It was a French 1-2-3 in the junior women's race, while reigning champion, **Cecilia Potts (USA)** was distraught after being beaten to fourth today.

Cecile Rode, Severine Hanson and Sandrine

Guironnet rode away from Potts on the third lap and finished in that order. The race was driven all the way by Rode, and her two compatriots were in no doubt about the pecking order. *"We are the top three in France and we see each other quite a bit in French Cup racing. Cecile always wins, but Severine (Hanson - silver medal) and I are about the same. Today she was too strong for me."* Smiled Guironnet at the finish.
